Parents,

DHSS would prefer we do the volunteer background checks in the following manner:

Go to
https://healthapps.dhss.mo.gov/BSEES/IsAPersonRegistered.aspx?ID=2&sk=SK822438258

1. Enter then confirm your SS#
2. Enter the provided Security Text # (in blue)
3. Click Search

If it tells you that you are already in the system (your social security was found), please call the number provided.  They will verify it is you then email you an encrypted message containing your background check. Print your background screening results and provide a copy to our office.

If your SS# was not found, register by clicking the CONTINUE button. You will pay at the end of the process using your credit card.

Once your SS# is in the system,  please call the number provided.  They will verify it is you then email you an encrypted message containing your background check. Print your background screening results and provide a copy to our office.
